SIGNATURE REQUESTING MAINTENANCE PLAN

In making this application the undersigned agrees to the Rules and Regulations of the telephone company as set forth in the Exchange Tariff, and to any general changes in Rules, or Rates for the services furnished under this application. This application becomes a Contract when accepted in writing by the Telephone Company. Applicant agrees he will be responsible for the telephone(s) and equipment until service is disconnected and at that time he will return the telephone(s) and any other equipment from the premises. It is further understood that the event the telephone and other equipment is not retrieved by the telephone company, the cost of such equipment will be added to the final telephone bill. Applicant agrees that should he become delinquent in his account and it becomes necessary that the company refer the account to attorney for collection, that he will pay attorney's fees as follows: 25% for collection without litigation, 33% if litigation is necessary.
